

DUSTIN TORREZ

FOOTBALL & BASEBALL ~ Class of 1994

When putting together the biography on Dustin Torrez you might just say "ditto" on the accomplishments and awards to that of his identical twin brother Casey.

Dustin Torrez was simply another great scholar/athlete to put on the Purple and White jerseys for the College Park Falcons. All-Northern California in football '93, 1st team All-League offense and defense football '93, 3 time All-League football at 3 different positions and three time All-League in baseball.

Dustin was a 3 year starter in football and baseball and like his brother led his teams to the playoff's in both football and baseball as League Champions.

It is said that a true measure of a great athlete is not measured in the individual awards he earns but the team championships that he was an integral part of...and the Torrez twins were true CHAMPIONS.

We welcome Dustin Torrez into the College Park High School Sports Hall of Fame, class of 2013.

have ever had, and great kids"... Bill Kepler, Coach
