

KELLY LEAVY

Basketball, Volleyball, Softball ~ Class of 1996

Kelly Leavy is what College Park athletics are all about. Kelly earned 12 letters in her illustrious 4 year career as a Falcon, and you can't do any better than that.

Ms. Leavy was the proverbial "gym rat" and how most coaches love to describe an athlete "who is all in all the time". Kelly was all-league in all 3 of her sports and during her senior year in basketball was selected 1st team all-league, led the MBAL in scoring, was crowned league most valuable player, and was chosen to the All East Bay and All Metro teams.

As with most outstanding athletes with leadership abilities, Kelly was elected Captain of her 1995 and '96 squads, turning her abilities into championships at the League, Division and Section level, in all 3 of her sports.

Leavy is married and is a full time mom of two daughters as well as having a full time career as a produce broker.

Welcome to "The Hall" Kelly, you are deserving inductee.
